

CERTIFICATE REGARDING DRINKING WATER/HYGIENE AND SANITATION

Certified that I have inspected the building of **Rawal International School, situated at Nangla, Sohna Road, Faridabad**. The school has sufficient facility of RO filtration for drinking water and is providing safe clean drinking water in the school. The school building is neat and clean. All the rooms are airy, well ventilated and maintained well. There is a separate arrangement of Toilets for the boys and girls which were found to be clean and hygienic.

The school is maintaining good hygienic and sanitation condition in the school building.
